Militec-1 is now being used in all our marine engines for two years.

Name	Engine	Type	No Capacity engines	
James Stirling	Main	Volvo TAMD122A	12ltr	3
	Generator	Perkins	6ltr	2
Captain Cook	Main	Volvo TAMD120A	12ltr	2
	Generator	Perkins	6ltr	1
River Lady	Main	Perkins	6ltr	1
	Generator	Perkins	4ltr	1
Lady Devine	Main	Perkins	6ltr	1
	Generator	Perkins	4ltr	1

Militec was also used in a 10 Hp Marina two stroke for the Avon Decent.

I introduced Militec-1 to my maintenance program in 2004, specifically for wear reduction and corrosion protection.

I am pleased with the performance of Militec-1
